Our Mission & Values

EXCELLENCE

Excellence is the hallmark of all Ascencia Malta's educational programmes. Our programmes are homegrown, officially accredited by the Malta Further and Higher Education Authority, and designed to put our learners at the centre of their learning. We recruit from among the most talented professionals on the island to give our learners the benefit of first-hand industry experience combined with leading-edge pedagogies.

ACCESSIBILITY

We strive to ensure that Ascencia Malta is an open to youths from all walks of life who might aspire to take their academic or professional careers to the next level. We prioritise dedication and ambition far above background or origins, as we believe these qualities drive personal growth and shape the leaders of the future.

LEARNER-CENTREDNESS

To ensure that the ambitions of each individual are not only recognised but celebrated, we are proud to afford our learners individual attention in the classroom. Here, they will find training courses founded on participatory pedagogies and based on the value of concrete examples, real-world engagement, and constant exchange between learners and practitioners. Outside the classroom, we follow learners' progress closely and they know that our doors are open at any time for them to come and present their dream projects or to seek our practical advice.

Why Malta as a study destination

1. **Cultural Immersion** in a vibrant Mediterranean context
2. **Proficiency in the English language**, one of Malta's two native languages

Description

Get to grips with the various aspects of teamwork, starting with creating a strong team culture and understanding effective teams. Discover the stages of moulding a team, different team roles, and how to assign them based on skills and strengths. Access language awareness and proficiency through the themes of communication skills, conflict resolution, and trust-building. Take away tips on how to form and lead high-performing teams by understanding the key factors that influence team dynamics, communication, and collaboration – primary among them, leadership. Last but not least, apply your new understanding of teamworking and leadership qualities to solve dilemmas and address potential mistakes.
