Our Mission & Values

EXCELLENCE

Excellence is the hallmark of all Ascencia Malta's educational programmes. Our programmes are homegrown, officially accredited by the Malta Further and Higher Education Authority, and designed to put our learners at the centre of their learning. We recruit from among the most talented professionals on the island to give our learners the benefit of first-hand industry experience combined with leading-edge pedagogies.

ACCESSIBILITY

We strive to ensure that Ascencia Malta is an open to youths from all walks of life who might aspire to take their academic or professional careers to the next level. We prioritise dedication and ambition far above background or origins, as we believe these qualities drive personal growth and shape the leaders of the future.

LEARNER-CENTREDNESS

To ensure that the ambitions of each individual are not only recognised but celebrated, we are proud to afford our learners individual attention in the classroom. Here, they will find training courses founded on participatory pedagogies and based on the value of concrete examples, real-world engagement, and constant exchange between learners and practitioners. Outside the classroom, we follow learners' progress closely and they know that our doors are open at any time for them to come and present their dream projects or to seek our practical advice.

Description

Look at the various types of risk that organisations face with fresh eyes by learning the terms and lexical sets to go with them. Express your attitudes towards risk-taking by practising word-building and idiomatic language. Importantly for your company, learn how to identify and prioritise risks, how to then communicate priorities, as well as to communicate about risk management effectively to stakeholders and take decisions about whether to venture them or not.

What will I be able to do after this Award?

SPEAKING

- o Express own attitudes and check with others that an offered reason is actually a good reason
- o Practise a range of devices to add to a point, show consequence, and eliminate hesitation
- o Emphasise, summarise, and persuade during a damage control meeting roleplay
- o Present a text you have read by identifying the main ideas, linking to what the audience already knows, paraphrasing, and separating one's own views from the writer's

LISTENING

- o Complete a spidergram by listening to the five types of risk and examples
- o Clearly hear numbered steps, examples and commentary about examples.
- o Eliminate difficulty listening to multiple speakers having a brainstorming meeting
- o Prepare notes and listen out for the context of each expression used in a meeting, as well as for which expressions are not used

READING

- o Skim an audio script for key words and phrases used to structure a response confirm ideas by reading for gist, and to prepare a summary of the key points in a set of numbered examples
- o Read a case study to plan how to deal with the criticisms on behalf of a company

VOCABULARY & ACCURACY

- o Learn adjectives and verbs that go with 'risk'
- o Use adverbs suitably, either as modifiers or intensifiers
- o Insert common idiomatic phrases into everyday conversation

WRITING

- o Create dialogues from a set of modifiers/intensifiers and adjectives
- o Prepare a report for the CEO of a company analysing and rating a number of risks
- o Practise summary, reporting, and persuasion in a single text
